Eugene, Ore. - **Annette Chang Sims, MD**, an ophthalmologist specializing in glaucoma and cataract surgery, has joined the practice of Drs. Fine, Hoffman & Packer, LLC at Oregon Eye Associates.

Dr. Sims received her Bachelor of Science degree with General Honors from the University of Chicago in 1997. She graduated from the University of South Florida College of Medicine in 2002 with the MD degree, and continued in Tampa to serve her Internship in Internal Medicine, Residency in Ophthalmology and Fellowship Training in Glaucoma. She served as Chief Resident from 2005 to 2006. Dr. Sims achieved Board Certification from the American Board of Ophthalmology in 2007. She has provided technologically advanced, personalized ophthalmic care in the Eugene-Springfield area since moving here three years ago with her husband, Jonathan Sims, M.D., a radiologist with Radiology Associates, P.C.

Dr. Sims brings specialized expertise in the diagnosis, medical management and surgical treatment of glaucoma, and welcomes consultations for advanced and refractory cases. She will begin seeing patients with Drs. Fine Hoffman & Packer on November 1, 2010.
